MILKSHAKES

Gott's Roadside, St. Helena, CA (pictured). Not South Beach. Not the Zone. No diet plan encourages the consumption of thick, rich, two-full-glasses'-worth-in-the-metal-canister milkshakes. But you're on vacation, remember? You don't care. Which is why, when you hit a truly great milkshake stop like Gott's, you proudly order an Espresso Bean shake with added Oreos. And, no, you don't share. \$; 933 Main St.; 707/963-3486.
